

INSTRUCTOR TRAINING PROGRAMME

ARE YOU..... Looking to get your foot in the door? Are you looking to change career or work in the outdoors then this is the course for you.

OUR AIMS..... Allow you to achieve the skills and knowledge that you will require in order to obtain a good job in the outdoor industry as an outdoor activity instructor. This will involve training and assessment for a number of National Governing Body Awards as well as personal skills coaching to increase your motivation and confidence in the outdoors.

COURSE OUTLINE.....

- We are offering you the chance to gain a wide range of NGB Awards that are essential for a career in the outdoors.
- This is a 20-week training programme designed to provide the basic background knowledge and technical skills base required by an outdoor instructor.
- Our team will guide you through the programme step by step to develop your skills.
- The course training will take place at locations all over Devon and Cornwall as well as trips to North Wales, South Wales, Derbyshire and the Lake District.
