

Bushcraft Training & Facilitation

The Course

The following course description is an indication of the kind of training we can provide. We pride ourselves on creating tailor-made training courses for people. The two-day course will be delivered by a trainer experienced bush craft and facilitation. We believe in practical learning – the course will be largely delivered hands-on, practical sessions.

The aim of this course is to provide an introduction for youth group leaders to basic bushcraft skills, choice of equipment & safe use of tools. This programme is designed as an introduction session, suitable for youth group leaders involved in assisting on an “instructor-led” bushcraft course. It does not 'qualify' attendees to teach any of the skills demonstrated.

Day 1: Bushcraft training skills i.e. fire starting, shelter making etc

Day 2: Facilitating the use of bushcraft as a vehicle for youth personal development

Dates: 21st – 22nd June 2008

Venue and Cost:

The course will be delivered at Mellow Farm, Dockenfield (nr Farnham).

The price of training is £150.00 per person.

(Accommodation will be an overnight camp at Mellow Farm, so please be prepared to bring warm clothes and suitable camping equipment. More details on what to bring will be provided prior to the course).
