£2745 for the hybrid learning path (includes the woodland immersion with 2 opportunities to deliver sessions for real life customers or volunteers), or £2245 (fully online learning path).

Is 2025 your year to become a Certified Forest Bathing Guide? Want to be your own boss while nurturing a deeper connection with nature—for yourself, your clients, and the future of our planet? As nature lovers, we share a common concern: while we cherish the natural world, the impact of climate change and biodiversity loss can feel overwhelming. We also crave a slower pace, a simpler life, far removed from the "more, more, more" mentality.

It can leave you wondering how to live a happy, healthy life and be part of the solution. What you're longing for is likely: a deeper connection to nature that eases anxiety and nourishes your soul; a fulfilling and financially rewarding career where you're in control; a strong sense of purpose; a feeling of belonging.

At Adore Your Outdoors, we believe Forest Therapy Guiding, with a business rooted in nature, offers a path to truly joyful living—for you and future generations. We believe those who nurture a sustainable future deserve both financial reward and deep fulfilment.

As a certified Forest Bathing Guide, you can:

- Be your own boss and revitalise your career.
- Embark on a profound journey of self-discovery.
- Become a certified, trusted professional.
- Create transformative experiences.
- Harmoniously combine purpose with profit.
- Join the Forest Bathing revolution.

Choose from the fully online learning path or a hybrid approach with a transformative week together in Hampshire. With three intakes in 2025, you can find the perfect fit for your schedule.

Shinrin Yoku (Forest Bathing) has been integrated into the Japanese healthcare system for over 45 years and is now endorsed by the NHS, lending legitimacy to your practice. Research consistently demonstrates long-lasting benefits, including stress reduction, improved sleep, enhanced immunity, and well-being.

Are you ready to answer the call of the wild?

Bushcraft Competency Course - 3 day course - IOL ACCREDITED

WOODLAND SURVIVAL CRAFTS

Bushcraft and Survival Skills Specialists

Dates in 2025 TBA

Woodland Survival Crafts. Spring Wood, Derbyshire

An ideal training course for Outdoor Professionals leading to the Bushcraft Competency Certificate developed through the IOL.

<http://www.woodlandcraftsurvival.com/our-courses/bushcraft-for-practitioners/>

T: 07736 225035 Dave dave@woodlandcraftsurvival.com

Woodland Survival Crafts offer a package of quality training to enable Outdoor Practitioners to feel confident in their foundational Bushcraft skills.

We will look at what is at the heart of good Bushcraft and how you can enhance your existing sessions to address a wide variety of educational needs.

The three day course can stand on its own or be taken further. Options include gaining accreditation through the Institute for Outdoor Learning's Foundational Bushcraft Competency Award.

Whether you are a Forest School Leader, Environmental Education Officer or Outdoor Instructor we can enhance your skills and sessions.

It is useful but not essential for students to have some previous experience in the areas of shelter building, fire lighting and simple knife handling.

Bushcraft Competency Training 2 days - IOL ACCREDITED

20th – 21st March 2025. Woodland Classroom, Wrexham, N. Wales.

<https://woodlandclassroom.com/event/iol-bushcraft-competency-award/>

<https://woodlandclassroom.com/event/iol-bushcraft-competency-award-2/>

This accredited training course is designed for instructors, leaders and teachers who want to demonstrate that they follow good practice and have a high level of safety and competency in a range of bushcraft skills.

This 2 day course is designed for the outdoor learning workforce including FE/HE students, apprentices, instructors and teachers. It is suitable for a wide range of people working or volunteering in formal or non-formal settings such as early years, schools, colleges, outdoor centres, education centres, wildlife trusts, national parks, youth and voluntary organisations. Wherever you are on your journey into bushcraft we aim to bring your confidence and skillset forward to the next level.

This 2 day course is open to all with an interest in passing bushcraft skills and knowledge on to others. The course covers 5 key bushcraft skill units; edged tools – knives & saws, fire, water, tarp shelters & knots and campfire cooking.

Our weekend long course is all set against the backdrop of mixed woodlands, wetlands and open meadows of [Park In The Past](#), with 120 acres of wild space to explore. Students are encouraged to camp over in the woods, with the option of staying over on both the Friday and Saturday, or just Saturday night.

This course covers five essential bushcraft skillsets.

Various dates

Jack Raven Bushcraft. Jack Raven Bushcraft Camp, Kent. 07553 763397, info@jackravenbushcraft.co.uk, www.jackravenbushcraft.co.uk

The syllabus meets the IOL Statement of Good Practice. On this intensive 3 day course you will cover:

- UK knife law and its relevance to bushcraft,
- Safe use of basic bushcraft tools such as knives, folding saws and bow saws,
- How to sharpen a bushcraft knife,
- Making simple carved implements such as a tent peg or feather stick,
- Safe shelter construction, including 'A' frame and 'lean to' debris shelters,
- Importance of insulating yourself from the ground in a debris shelter by creating an improvised bed,
- Establishing fires by: bow drill, fire steel, flint and steel, lenses, mirrors, chemicals, matches, fire pistons, lighters, batteries & wire wool,
- Constructing and using a tinder bundle to light a fire,
- Locating, filtering and purifying water,
- Tree identification and uses, including food sources available from trees,
- How to prepare and make natural cordage from a variety of sources,
- Natural navigation using shadow sticks, a watch, the moon and stars,
- And of course, ensuring that we leave no trace

Throughout the course we will provide advice and guidance on tools and equipment and how to teach the skills covered to other people, whether that be individuals or groups, all based on our own years of experience.

To be added to the register of holders of the IOL Bushcraft Competency Certificate, you will need to log 120 quality hours and attend a separate assessment, as well as join the IOL and the Bushcraft Professional Practice Group. Memberships and assessments are administered through the IOL.

Take a look at our 'IOL Hall of Fame' to see photos of the people that we know have successfully taken their assessment. and gained the IOL Bushcraft Competency Certificate.
