

Stephen Morgan MP has supported the Nature Premium Campaign from the beginning

He met Sara Collins during Lockdown 1 in 2020.

He submitted a written question to the DforE in September 2020. This was our first chance to speak with the DforE officials.

He set up a meeting with Peter Kyle (Shadow Minister for Schools) and came to lunch - 2021.

Stephen also set up a meeting with Nick Gibb (then Schools Minister), Sept 2021

Stephen invited us to his environment workshop at St Mary's Church Portsea.

We have kept Stephen updated on the campaign progress

What have we learnt?

Stephen is a fantastic constituency MP, and we wish him well in his new role as Parliamentary Under-Secretary of State (Minister for Early Education) at the Department for Education
