Maintain this group as a monthly drop in

Confidence to be a face of EDI in my education team for people to chat to

Create a safe space to allow the freedom to explore fears and try out new feelings

Awareness

Being aware of own biases. Notice sphere of influence.

Webinars helped to give me language and phrasing ideas for being able to write a pronouns rationale for implementing pronouns in signatures across company

using non saveable zoom chat as part of safe space policy

Use your voice in your everyday work to share the terminology and new found knowledge in EDI
