

Professional Development + Training courses events offered by IOL Organisational Members

Sunguarding - Sun and heat Protection Course – IOL ACCREDITED

Various dates after launch on May 6th. Online.

Melanoma Fund. 6 modules. 43 lessons and video content.

If you work with others outdoors, updating your understanding around sun and heat protection is vital. To support this, the Melanoma Fund has created Sunguarding – Sun and heat protection course. Designed to equip you with the knowledge and skills to mitigate the risks associated with UV exposure and extreme temperatures, this free, two-hour course will future proof you, and your sessions against the threats amplified by climate change.
